Bold and confident, yet inviting and warm, Thom Filicia, Inc. designs for the way people live. For Biscayne Beach, this has meant drawing inspiration from the sand, sea, and city. However, it is Filicia’s trademark inventiveness that has made him an Elle Décor A-List Designer, one of House Beautiful’s Top 100 Designers, and the preferred choice of Tina Fey, Peter Jennings, Jennifer Lopez, W Hotels, Delta Air Lines, and countless others. Thom’s New American style can also be seen throughout his product in the Thom Filicia Home Collection and his two design books, Style and American Beauty.
The concept is based around finding a perfect balance between a resort-style setting and the vibrant neighborhoods surrounding East Edgewater. I’ve mixed woods and natural elements with other raw and refined materials to create a comfortable and relaxed, yet sophisticated living environment.

Thom Filicia - on the design inspiration for Biscayne Beach.

Thom Filicia is a genius, effortlessly mixing materials and eras to create spaces that are both hypersophisticated and extremely livable...he never loses sight of the human being...
